iX Cameras is Exhibiting at the International Conference on Digital Image Correlation and Noncontact Experimental Mechanics October 15, 2018 - October 18, 2018. Hangzhou, China.

Come visit iX Cameras at the International Digital Image Correlation Society (iDICs) conference in Hangzhou, China. We will be demonstrating our i-SPEED 7 Series Cameras usability in digital image correlation applications. The conference will cover the latest scientific research achievements and technological innovations on DIC technology and noncontact experimental mechanics as well as the novel applications. It will serve as a significant platform for academic

exploration, experience exchange, and thought inspiration amongst the practitioners engaged in material, civil, mechanical and aeronautics engineering. For more information visit [iDICs 2018](#)
